**2009 SEP APPLICATION
ADDENDUM
(OPTIONAL)**

Please use this form to explain any issues that would impede your ability to participate in the SEP Program. Depending on our available funding, we would like to help mitigate those concerns so that, if selected, you may participate in the program. Specifically, we request information on travel, lodging, and/or other issues that may pose an impediment for you to participate. Use this space to briefly describe your concerns:

Name: _____ Signature: _____

Thank you for taking the time to share your concerns. This form will be kept confidential and it will be filed separately from your application. If you are selected for the 2009 program, we will notify you of any accommodation that we may provide as per your request.
