

Nomination for the 2008 McDougall Mentoring Award

Nomination Deadline: September 18, 2008

Nominee _____

Application submitted by _____ Extension _____ E-mail _____

Background

Jim McDougall was a faculty member at the Fred Hutchinson Cancer Research Center from 1978-2003. He was highly regarded for his dedication to and excellent mentorship of the people in his lab. In honor of his memory, the annual McDougall Mentoring Award celebrates faculty members who demonstrate a similar dedication to and enthusiasm for mentoring their graduate students, postdoctoral fellows, and/or medical fellows. The award recipient will be announced at the annual SPAC Holiday Party in December.

Nomination criteria

The nominee must meet the following criteria:

- Has been a faculty member at the FHCRC for at least three years
- Their primary faculty appointment is at the FHCRC
- Currently has at least one graduate student, postdoctoral fellow, or medical fellow in his/her lab or work group

Criteria to consider in your application include mentoring in the following areas:

- Research skill development
- Collaborative science
- Choosing a career
- Job search including networking
- Poster and oral presentations
- Writing skills
- Teaching skills
- Responsible conduct of research
- Leadership and management skills
- Sensitivity to diversity issues

Application

Summarize why your nominee is a worthy recipient of the McDougall Mentoring Award. Please include specific examples or stories to support this nomination. There is a five (5) page (12 point, single spaced) maximum page limit. Only one application per nominee will be allowed, but the nomination can be a combined effort from multiple people.

Obtain support from at least one other graduate student/postdoctoral fellow/medical fellow who has been mentored by this faculty member (they do not need to be currently at the FHCRC):

Name _____ Extension _____
